National Development Vision

- To address the nation's needs in Development, Civil & Construction Works, Steel Works, Plant and Equipment Hire, Mine shafts, plant and equipment maintenance, Hardware and Employment Creation through Production. This in turn reduces Crime, HIV/AIDS, Drug and Substance Abuse etc.
- To Identify the less privileged and provide free training so that these can earn a living from practical work. (Self-Reliance Promotion).

Our Vision

- To be the Centre of Quality and Standard Service and Satisfaction in Value for Money.

Values

Quality	Transparency
Integrity	Professional
Honesty	Compliance
Creativity	Innovativeness
Originality	Compassion

- Team spirit is our guiding principle.
- Dedication and hard work shall be our driving force for excellence.

Mission

- To maintain progress in the long run
- Aiming for Higher Quality and Standard Workmanship and Service than other Competitors

Vision and Motto

- "Quality and Standard Our Command"
